

and friends. This bill also calls for a location in the Capitol to be named in their memory and a commemorative plaque to be placed at that location.

Today I bow my head in memory of those who died at the World Trade Center and the Pentagon. I also pay respect to our first responders, volunteers, and average citizens who risked their lives to save others on that day.

Finally, I pay homage to the passengers and crew of flight 93 for taking on those who wished to harm our country and Nation's Capital. I believe it is appropriate at this time to acknowledge the actions of the passengers of flight 93 for showing such remarkable heroism and to commemorate them in the very walls that might have crumbled had they not made that ultimate sacrifice. We are forever indebted to them and should never forget their bravery or their sacrifice or that of their loved ones.

I hope my colleagues will join me in sponsoring this resolution. I have it at the desk and I am submitting it now. I hope on a broad bipartisan basis we are able to recognize those brave passengers and crew of flight 93 for what they did on that remarkable day.
